

## Conversation Groups on Being Human Together

Join St. Raymond Church Family for three 90-minute sessions over three weeks for a virtual conversation with fellow Christians via Zoom. We hope the conversations will allow you the chance to speak, listen, grow in understanding and gain a sense of direction on what God is asking of Christians at this crucial moment in our history. Each group of 7 to 10 people will be racially diverse to maximize the experience. If you have questions, or want to join a group, please contact the staff person who is Co-Hosting at email given or by calling the Parish Office (215-549-3760).
